Young Carers Action Day 2021

From next year Young Carers Action Day will be moving from January to Tuesday 16th March 2021.

This is a chance to raise awareness of Young Carers and the issues they face on a daily basis as well as much needed funds to support them.

We are hoping that you will join us in celebrating the day by organising a Fundraising Event of your own or by making a donation through our website. The support service that we provide to Young Carers costs in the region of £120k per year, sadly if we are unable to raise this amount each year we will have to make changes to the service, something that we would hate to do.
